## Can education change the world? Nelson Mandela believed so.

On the 18<sup>th</sup> July we celebrate Mandela Day, and in return for all he has taught us, you can help teach a child with disabilities. A bursary or sponsorship will make a huge difference in the lives of our children, and with this small deed, you'll be putting a little more sunshine into their lives.

**Help us change a life by sponsoring R67, R670 or R6 700.**
