

# CRUCIAL LIFE SKILLS TO TEACH YOUR CHILD

## HOW TO BE A SUCCESSFUL PARENT

### COOKING

You can ask your children to assist you in the kitchen.

Your children can cook a meal for themselves whenever you are not around.

### WILDERNESS SURVIVAL SKILLS

These skills will help children build self-confidence and independence, while experiencing fun adventures.

### HOME GARDEN BASICS

This is a life skill that teaches children to respect and cherish nature.

### FIRST AID SKILLS

Children hurt themselves quite frequently while playing. They should learn how to save themselves and others from accidents and emergencies.

### SWIMMING

This is one skill that may not only save the one who knows it, but also others.

### MONEY MANAGEMENT SKILLS

Teach them the value of money and how to save it in order to use in the future.

### GOOD MANNERS

The more you exhibit the basics of good manners, the more likely these examples will become a routine way of life for your child.

### INTERACTIONS WITH OTHERS

Learning to disagree while maintaining self-control and respect for the other party may take years, but it's worth the effort.

### HOUSEHOLD REPAIRS

You can teach them to change a light bulb, how to unclog a toilet or to turn off the gas. Don't forget to guide them about safety measures.

### ADVOCATE FOR THEMSELVES

You can't be with your children all the time to protect them from life's unpleasant surprises.

### LAUNDRY

Washing their own clothes will be helpful for your children when they go to school or college.

### TIME MANAGEMENT

You should start teaching your children how to manage time from an early age.

### HYGIENE

Personal hygiene is important in every stage of life, but good cleanliness habits start in childhood.
